Builders Club – Brian and Kristy have met with middle
school students twice now to re-organize the Builders
Club in the time remaining this school year. They last
met March 27th, where they doubled their attendance
from the previous meeting and conducted election of
officers.

They will be meeting Wednesday, April 10th, from 9:35
to 10 am in the middle school office conference room, to
discuss possible projects they can do during the
remainder of the year. Brian will be there, but Kristy
won't be able to make it. If three additional members
can attend the meeting with constitute an interclub with
the Builders Club.

April's KiwanNews is out, copies are available at
meetings

President's Project – Amanda announced her project this
year will be to get together teen games for the Library to
check out, in a similar vein to her project last year at the
middle school; which dovetails with a project Mandy
Sprague has been pursuing independently for the library,
applying for grants that were not approved. A digital
copy of the list of games the library is interested in will
be forthcoming.

Summer Program

Our last meeting at the college this semester will be May
15th. A summer location is in the works. **Important
Note:** We will be experimenting with the 3-2-1 format
this summer starting in June! This constitutes 3 hours of
service, 2 hours of socializing and a 1 hour business
meeting each month; instead of a lunch meeting every
week. Stay tuned for details.

Coming up.....

April 9th – Nate Zimdars, Mission to Senegal

April 16th – TBA

April 23rd – Chrissy Damm, Odyssey Academy of
Virtual Learning

Happy Bucks

Kristy – Happy to make it today, spent all day in
Milwaukee yesterday when her son had all four wisdom
teeth taken out under iv sedation; he's doing well.

Helga – Happy to be in Arizona when the weather was
so cold here.

Rich – Happy Helga is back and

Brian – Theatre happy buck; three performances of the
middle school musical from April 4th through the 6th (not
counting two school performances on the 3rd). Brian
noted that the Beaver Dam Community Theatre was also
holding a one time performance of a one act play his
uncle wrote the evening of Aril 6th, which won a state
theatre competition and will shortly be representing
Wisconsin at a regional competition in Indiana.

Linda – Always grateful to be in the company of the
club and learn about the good works in the community

Amanda – Had a 31 party over the weekend, was a very good party. On Sunday got back on roller skates and it was phenomenal

The GLFM is celebrating its 40th anniversary this summer and is committed to providing our community with music for the next 40 years and beyond.

Do you get the music ahead of time to practice when you register?

Yes. The only thing you have to pay for is the music, about \$30; and when you register you can order your packet of music(?). (?) much of it is more like bluegrass
